

**PRODUCT DATA SHEET**

<b>Product</b>	<b>Button Polish</b>
<b>Type</b>	Shellac dissolved in alcohol.
<b>Intended Use</b>	Suitable for French Polishing wood where a more orange or golden tone is required. Suitable for sealing wood before waxing.
<b>Special Features</b>	When applied correctly will produce a high gloss finish. Alcohol evaporates rapidly leaving a film of shellac on the surface of the timber.
<b>Preparation</b>	Wood should be clean and smooth. If grain is open, fill with <b>Rustins Grainfiller</b> . Furniture that is to be renovated should be cleaned with White Spirit and fine wire wool to ensure that it is free from grease and wax.
<b>Application</b>	Apply with a rubber made by wrapping a piece of cotton wool in a cotton or linen rag the size of a handkerchief. Pour polish into rubber and squeeze out excess, dab a spot of linseed oil on the rubber, and work in a circle of eight motion. For more detailed instructions on French Polishing please consult our "Guide to French Polishing" leaflet or visit our website at <a href="http://www.rustins.co.uk">www.rustins.co.uk</a> For sealing wood before waxing, apply with a brush or rag.
<b>Coats</b>	For French Polishing, apply as many coats as required to build a sufficient layer of shellac. For sealing wood before waxing, apply 2 liberal coats.
<b>Drying Time</b>	Leave 24 hours after last coat to harden.
<b>Re-coating Time</b>	4-6 hours
<b>Application Temp.</b>	Use in a warm, dry atmosphere, ideally 15- 25 °C
<b>Coverage</b>	13-15 sq metres/litre
<b>Maintenance</b>	Wipe with damp cloth. Greasy or dirty surfaces should be cleaned with a mild non abrasive liquid detergent. Avoid using harsh cleaning agents. Wax polishes may be used.
<b>Compatibility</b>	Wood may be dyed with <b>Rustins Wood Dye</b> prior to sealing with Rustin's Button Polish.
<b>Settlement</b>	Shake thoroughly before use.
<b>Shelf-life/Storage</b>	The shelf life of the product in an airtight container is a considerable period of time. It is preferable to store the product in a cool place. It is important to replace the lid and ensure an airtight seal.
<b>Hazards</b>	Highly Flammable. Harmful by inhalation, in contact with skin and if swallowed. Keep out of reach of children. Keep container tightly closed. Keep away from sources of ignition-No smoking. Do not breathe vapour. Avoid contact with skin and eyes. In case of accident or if you feel unwell, seek medical advice immediately, (show the label where possible). A full Safety Data Sheet is available upon request or on Rustins Web Site.
<b>Clean-Up</b>	All equipment must be cleaned whilst wet with <b>Rustins Methylated Spirits</b> .
<b>Sizes</b>	125ml 250ml 500ml 1lit 2 lit 4 lit
